What a year!

Personally I had the best year ever, as far as field finds. In 30 years of collecting. I've never had this much success. Actually saved an awesome bait out of the hands of a artist, who "was going to do something with that lure". This gentleman was creating art. In my opinion some it was really neat and, some, not so much. I posted pictures to our Facebook page. So *Good Luck* this year to everyone and *Happy Hunting*.

I enjoyed seeing everyone at Myrtle Beach this past Fall. It was slow getting into the show, but we really needed to update our members' contact info. We had an excellent turnout. A good number of people came in from the street, and a few new members. I would like to welcome 12 new members: Patrick Tierney, Todd Auter, Chris McWhorter, William Scott Davis, Thomas Zurek from CALIFORNIA, Bob Popp from Wyoming, David Charette, David Schrum, Craig Wolfe from NJ, Laurie Bingham, Mike Squires, and Glen Bell.

I have had a lot of inquiries about our Spring show. I am personally working on a Fall show this November. I attended the the FATC SHOW in Daytona and spoke with Larry Lucas. It will be a mutual show between the Florida club, FATC, and our Carolina club, the CATC. We are looking in the Savanna, Georgia area. I will keep everybody posted. As far as the Spring show goes, I will be more than happy to help with phone calls, hotels, etc., but we're looking for someone to step up to host it. Like I've always said, "This is your club just as much as anybody else's. "

Membership Updates:

The CATC Club is growing more every month and now that we offer several options for yearly memberships many of the collectors have taken advantage of the new outline where a One Year Membership is \$25.00, Three Year Membership is \$70.00, and a Five Year Membership is \$105.00. You will find the Membership Form on Joe Yates's message board under the drop down tab at the top of the page for Collector Clubs – CATC – and then Membership. You can download the PDF and fill all the information out.

Please note that we are making the Yearly Dues Start Date of June 1 of every year to better organize how we manage the membership. Anyone who paid dues since the Hendersonville show in 2021 will be given a grace of the several month's difference as we want to get everyone caught up to the new June Membership Start Date. Also, as many of you have either paid at the Myrtle Beach show or at the Spring Show, these will all be considered to start June 1, 2022 so you will be getting many months of free membership. Please get your forms filled in and send your checks in soon to take advantage of this special time. See, there are always good things happening at the CATC club to benefit all members.

One other resource is the CATC Facebook site for our club members and you can find it here: <https://www.facebook.com/groups/1660901817561969> You can post things relating to our club and the hobby there, too.
