

Carolina Antique Tackle Collectors January 2025 NEWS LETTER

Presidents Message

A word from Arthur Herzog:

I don't know about y'all, but I enjoyed seeing everyone in Anderson this past June 2024. We had an excellent turnout from many different states. I want to personally thank the Brian and Susan Gearhart for making this event happen. If you didn't go to the barbecue you missed out. It is lots of fun!

We chose to cancel the past Savannah Show this year due to Hurricane Storm that brought so much damage and loss of life to the Carolinas. We had to make a quick decision or lose our security deposit. At present it's still up in the air for next year as we are in negotiations with the hotel but The Hotel is pricing us out and show space is limited. So please also keep your eyes open for an alternative space for next year.

Please read the attached flyer. This is for the Upcoming Mutual Club show in March 2025 in Gettysburg, PA. Definitely one you're not going to want to miss. CATC, ORCA, and NFLCC

This show has the potential to be an east coast national. But it is what y'all make it. Feel free to contact me with any questions.

Appreciate y'all

Steve Herzog , President
